STATINTL

STATINTL

[REDACTED] agreed to transfer [REDACTED] on or about August 1, 1947 as an editor at CAV-11 (top of grade).

STATINTL

[REDACTED] interested in eventually becoming Deputy Chief of the West Coast Mission, but I told him that no commitments could be made on that at this time. I further advised [REDACTED] that the Chief of the [REDACTED] would have more to say about the selection of the Deputy, and whether he received consideration for assignment depended on his performance on the West Coast.

STATINTL

I think [REDACTED] should be assigned to the Far Eastern Section and the Latin American Section of the Editorial Division for the last two weeks of his stay in Washington. This would add to his background on the Washington requirements for material from the West Coast Mission.
